

01

LANDING PAGE

Upon launching the ReadySetHire application, you will be directed to the Landing Page. This page serves as your main entry point into the platform, designed to offer easy navigation whether you are a new or returning user. The ReadySetHire logo is prominently displayed at the top of the screen, reinforcing the brand and welcoming you to the system.

On the landing page, you will find two primary options:

- **[A] Log In** – Select this if you already have an existing account and want to continue using the platform.
- **[B] Register** – Select this if you are a new user and need to create your account.

The interface is structured to provide clarity and convenience, enabling you to quickly access the functions you need and experience a smooth onboarding process.

LOGIN PAGE

The Login Page allows you to securely access your personalized ReadySetHire account. To proceed, you are required to enter the credentials you used during registration.

The page includes the following input fields and options:

- **[A] Email** – Enter the email address associated with your ReadySetHire account.
- **[B] Password** – Input your corresponding account password to verify your identity.
- **[C] Forgot Password** – Select this option if you cannot remember your password. This will guide you through the password recovery process so you can regain access to your account.
- **[D] Sign In Button** – After entering your login credentials, click the Sign In button to submit your information and access your account.

The login interface is designed to be clean and user-friendly, ensuring both efficiency and data security. Once your credentials are validated, you will be able to access and explore the full features of the platform.

RESET PASSWORD PAGE

The Reset Password Page provides you with a secure method to regain access to your account if you forget your login credentials.

To reset your password, follow these steps:

- **[A] Enter Registered Email** – Input the email address linked to your ReadySetHire account. This verifies your identity and ensures that the reset request is sent to the rightful owner.
- **[B] Send Reset Code Button** – After entering your email, click the Send Reset Code button to initiate the password reset request.
- **[C] Reset Email Confirmation Message** – A confirmation message will appear at the bottom of the page, indicating that the password reset email has been successfully sent.
- **[D] Check Email Inbox** – Open the email account you provided and look for the password reset message. Follow the link or instructions to create a new password.
- **Check Spam or Junk Folder** – If the message does not appear in your inbox within a few minutes, check your spam or junk folder, as automated emails may occasionally be filtered.
- **[E] Log In with New Password** – Once you have successfully reset your password, return to the Login Page and use your registered email and new password to access your account.

CREATE AN ACCOUNT PAGE

The Create an Account Page enables you to register and gain access to the full features of ReadySetHire. This section ensures that you provide secure and accurate information to set up your personal profile within the platform.

To successfully create an account, you must complete the following required fields:

- **[A] Valid Email Address** – Enter an active and valid email address. This will serve as your primary contact for notifications and account recovery.
- **[B] Password** – Create a secure password that meets the system's security requirements for account safety.
- **[C] Confirm Password** – Re-enter the same password to verify accuracy and avoid any setup errors.
- **[D] Sign Up** – After filling out all fields, click the Sign Up button to finalize your account creation. A confirmation message or email notification will verify that your account has been successfully created.
- **[E] Sign In (if you already have an account)** – If you already have an existing account, click the Sign In button at the bottom of the page. You will be redirected to the Login Page.

The screenshot shows the 'Create an Account' page on a mobile device. At the top, there is a back arrow and the ReadySetHire logo. The title 'Create an Account' is prominently displayed. Below the title, there are three input fields: 'Email', 'Password', and 'Confirm Password'. Each field has a corresponding annotation: 'A' for the Email field, 'B' for the Password field (which includes a toggle icon for visibility), and 'C' for the Confirm Password field (which also includes a toggle icon). Below these fields is a large 'Sign Up' button, annotated with 'D'. At the bottom, there is a link 'Already have an account? Sign In', where 'Sign In' is annotated with 'E'.

VERIFICATION PAGE

After you complete registration, you will be directed to the Verification Page. This page ensures that your email address is valid and that you can securely access all features of ReadySetHire.

To verify your account, follow these steps:

- **[A] Check Verification Button** – Click the Check Verification button to send a verification email to the email address you registered with.
- **[B] Check Email Inbox** – Open your email account and look for the verification message.
- **Check Spam or Junk Folder** – If the message does not appear in your inbox within a few minutes, check your spam or junk folder.
- **[C] Click Verification Link** – Once you locate the email, open it and click the verification link provided.
- **[D] Email Verified Message** – After clicking the link, you should see a message that says: “Your email has been verified.”
- **Return to App** – Go back to the ReadySetHire app and click the Check Verification button again. You will then be redirected to the Homepage.
- **[E] Resend Verification** – If you did not receive the email or cannot find it, select Resend Verification and repeat the steps above.

06

HOMEPAGE

Once your email is verified and you have successfully logged in, you will be directed to the Homepage.

On this page, you can:

- **[A] See Your Name** – Your name will be prominently displayed at the top of the page next to your profile picture, allowing you to easily identify your account.
- **[B] Edit Profile** – Update your personal information or resume details to ensure that your profile is accurate and up-to-date.
- **[C] Start Mock Interview** – Click the Start Mock Interview button to begin your AI-powered interview practice session.

Navigation buttons are located at the bottom of the page for easy access to other sections:

- **[D] Homepage** – Return to the main page of the app.
- **[E] Feature Page** – Learn more about the features available in ReadySetHire.
- **[F] Main Dashboard** – Here, you can practice mock interviews and take the aptitude test. You can also access your overall progress, history, and other tools.
- **[G] Who Is It For Page** – Understand who can benefit from ReadySetHire.
- **[H] Report Form Page** – Submit feedback, report issues, or request assistance.

07

FEATURE PAGE

The Feature Page provides you with a comprehensive overview of the key functionalities available in ReadySetHire.

On this page, you can access and learn about the following features:

- **AI-Powered Mock Interview** – Practice interviews simulated by AI to prepare you for real-life HR interviews.
- **Authority Level Interview Training** – Receive training guided by professional-level interview standards.
- **Real-Time AI Feedback** – Get instant feedback during your mock interviews to help you improve your answers and delivery.
- **Tailored Interview Simulation** – Experience simulations customized to your selected level or skill set.
- **AI-Driven Interview Summary & Action Plan** – Receive a detailed summary and personalized action plan after each mock interview to track your progress.
- **Gamified Aptitude Test Preparation** – Engage in interactive and gamified Situational Judgement exercises to improve your aptitude test performance.
- **User Profile Customization** – Personalize your profile to reflect your professional details and preferences.
- **Resume Optimizer** – Enhance your resume with AI-driven suggestions to make it more effective and competitive.

This page is designed to give you a clear understanding of all the tools available in ReadySetHire, ensuring that you can make the most of the platform to prepare for your career opportunities.

WHO IT IS FOR PAGE

The Who It Is For Page helps you understand the target users and beneficiaries of ReadySetHire. This page highlights the groups that can gain the most value from the platform and its features.

You can see how ReadySetHire can support the following:

- **Fresh Graduates and Job Seekers** – Prepare for interviews, improve your skills, and enhance your resume to increase your chances of employment.
- **Educational Institutions** – Equip students with practical tools and resources to improve their career readiness.
- **Career Counselors** – Guide clients with AI-driven insights and structured interview practice.
- **Recruitment Agencies and Employers** – Streamline candidate evaluation and identify skilled applicants more efficiently.
- **Community and Workforce Developers** – Support local workforce development initiatives by providing accessible career preparation tools.

This page ensures that you understand who can benefit from the platform, allowing you to maximize its resources according to your specific needs.

FEEDBACK & REPORT FORM PAGE

The Feedback and Report Form Page allows you to provide feedback, report issues, or submit requests to improve the ReadySetHire platform. This page ensures that your concerns and suggestions are communicated efficiently to the development team.

On this page, you can:

- **Select Feedback Type** – Choose the category of your feedback from options such as:
 - **[A] Bug Report** – Report any errors or issues you encounter while using the app.
 - **[B] Feature Request** – Suggest new features or improvements for the platform.
 - **[C] Question About the App** – Ask questions regarding functionalities or usage.
 - **[D] General Feedback** – Provide overall comments or observations about your experience.
- **[E] Set Priority Level** – Indicate the urgency of your feedback by selecting Low, Medium, or High.
- **[F] Message Box** – Type your detailed message, explanation, or request in the provided text area.
- **[G] Submit Insights Button** – Once you have completed the form, click this button to send your feedback to the ReadySetHire team for review.

EDIT PROFILE PAGE

The Edit Profile Page allows users to manage their account details and update personal information.

Access and features:

- **[A] Click Profile Icon** – Tap your profile icon at the top of the homepage to open the profile section.
- **[B] Display Username** – Your username is shown at the top of the page.
- **[C] Display Profile Picture** – Your current profile photo is visible for easy identification.
- **[D] Display Full Name** – Your full name is shown for quick identification.
- **[E] Display Email Address (Non-Editable)** – Your registered email address is shown but cannot be edited for security purposes.

Profile customization:

- **[F] Edit Profile Button** – Clicking this button enables text fields for editing your name.
- **[G] Update Name Textbox** – Once activated, the name field becomes editable for profile updates.
- **[H] Upload Profile Picture** – Users may upload a new profile picture to personalize their account.

Password security:

- **[I] Change Password Button** – Opens a password update pop-up window.
- Inside the pop-up:
 - **[J] Current Password Field** – Enter your existing password for identity verification.
 - **[K] New Password Field** – Type your new password.
 - **[L] Confirm New Password Field** – Re-enter your new password to ensure accuracy.
 - **[M] Update Button** – Save and apply the new password.
 - **[N] Cancel Button** – Close the pop-up without saving changes.

Additional actions:

- **[O] Logout Button** – Logs the user out and redirects back to the Landing Page.
- **[P] View Background Information Button** – Opens the section where users can input or edit background and professional details (e.g., education, experience, skills). This information is used by the system to generate résumé content and guide AI interview questions.

BACKGROUND INFORMATION PAGE

After selecting View Background Information from the Edit Profile Page, you are redirected to the Background Information Module, where you can input and update the details that will be used to generate your résumé and personalize AI interview questions.

Export Résumé Page: The final stage of the résumé-building process. After completing all required information, this page allows you to generate a polished and professional résumé that you can download or share instantly. The export options provide convenience whether you need a personal copy or want to submit your résumé directly to recruiters or institutions.

Available export options:

- **[A] Save as PDF Button** - Generates your résumé and saves it as a PDF file on your device for personal storage or future printing.
- **[B] Share as PDF Button** - Allows you to share your résumé directly through supported channels (e.g., email, messaging platforms).
- **[C] Export (Save and Share) Button** - Performs both actions at once—saves the résumé as a PDF on your device and shares it instantly using your selected method.
- **[D] Done Button** - Completes the résumé export process and returns you to the app interface.

MAIN DASHBOARD PAGE

The Main Dashboard Page serves as your central hub for accessing all the tools and features available in ReadySetHire. From here, you can manage your learning, track progress, and prepare effectively for interviews.

On this page, you can access the following tools:

- **[A] Voice Mock Interview** – Practice speaking answers to interview questions and receive real-time feedback on your responses.
- **[B] Interview Chatbot** – Interact with an AI-powered chatbot to simulate conversational interviews and refine your communication skills.
- **[C] Aptitude Game** – Complete situational judgment tests under a timed setting to assess your decision-making and problem-solving skills.
- **[D] History** – Review your past activities, mock interviews, and overall progress in different skill areas.
- **[E] Interview Flashcards** – Study key concepts, common interview questions, and tips through interactive flashcards.
- **[F] Interview GuideHub** – Access a library of resources including resume optimization tips, interview guides, and other helpful materials.

The dashboard is designed for easy navigation, allowing you to quickly select any tool and maximize your career preparation.

VOICE MOCK INTERVIEW PAGE

The Voice Mock Interview Page allows you to practice real-life interviews using AI-powered simulations. This tool helps you improve your verbal communication, confidence, and overall performance in interviews.

On this page, you can:

- **[A] Start Button** – Click Start to begin the mock interview session.
- **[B] Select Interview Level** – Choose from three levels based on your target position: Operations, Supervisory, or Management.
- **[C] AI Interviewer** – Interact with an AI interviewer that asks questions. You can also read what the AI is saying on-screen.
- **[D] Mic Button** – Use the microphone button to record your spoken answers during the interview.
- **[E] Live Transcription** – While you speak, your responses are automatically transcribed in real-time for easier review.
- **[F] End Interview** – Click End Interview to finish the session and proceed to receive detailed feedback.

14

INTERVIEW CHATBOT PAGE

The Interview Chatbot Page allows you to practice text-based interviews with an AI-powered chatbot. This tool helps you refine your written communication skills and prepare for conversational interviews.

On this page, you can:

- **[A] Start Button** - Click Start to begin the chatbot interview session.
- **[B] Select Interview Level** - Choose from three levels based on your target position: Operations, Supervisory, or Management.
- **[C] AI Text Messages** - Read the questions and prompts sent by the AI interviewer in the chat interface.
- **[D] Your Responses** - All messages you send are displayed in the chat interface for you to review throughout the session.
- **[E] Text Box** - Type and send your responses directly to the AI interviewer using the provided text box.
- **[F] End Interview** - Click End Interview to finish the session and view detailed feedback on your responses.

INTERVIEW FEEDBACK PAGE

The Interview Feedback Page provides you with a detailed analysis of your performance after completing either a Voice Mock Interview or an Interview Chatbot session. This feedback helps you understand your strengths, weaknesses, and areas for improvement.

On this page, you can see:

- **[A] Applied Role** – View the role you selected for the interview (Operations, Supervisory, or Management) displayed at the top of the page.
- **[B] Interview Type** – See whether the feedback corresponds to a Voice or Chatbot interview.
- **[C] Performance Pie Chart** – Check a visual breakdown of your overall performance presented as percentages.
- **Overall Assessment** – Review a summary of your interview performance.
- **Communication Skills** – Understand how effectively you communicated your answers.
- **Soft Skills** – Review your performance in areas such as teamwork, problem-solving, and adaptability.
- **Key Strengths** – Identify the areas where you performed exceptionally well.
- **Key Weaknesses** – Highlight areas that need improvement.
- **Steps to Improve** – Follow suggested actionable steps to enhance your interview skills.
- **[D] Done Button** – Click Done to return to the interview start page and begin another session if desired.

APTITUDE GAME PAGE

The Aptitude Game Page allows you to enhance your situational judgment skills through a timed, scenario-based quiz format.

To use this feature, follow the process below:

- **[A] Start Button** - Select Start to begin the aptitude game.
- **[B] Instructions Page** - You will first be redirected to a page containing the full game instructions to ensure that you understand the rules before proceeding.
- **[C] Start Button (Instructions Page)** - Select Start again to begin the actual gameplay.
- **[D] 30-Second Timer per Question** - Each question must be answered within 30 seconds to test your ability to decide quickly under pressure.
- **[E] Question and Scenario Display** - A situational scenario and a corresponding question will be shown on the screen.
- **[F] Multiple-Choice Answer Buttons** - Select the most suitable answer among the provided options.
- **[G] Points Notification Popup** - After choosing your answer, a message will appear showing how many points you earned for that question (each answer has a corresponding score: highest = 3 points, lowest = 0 points).
- **[H] Explanation Display** - An explanation will appear afterward to help you understand why the correct or optimal answer applies to the scenario.
- **[I] Next Button** - Select Next to proceed to the next question and continue the game.

17

APTITUDE TEST FEEDBACK PAGE

The Aptitude Test Feedback Page provides you with a detailed evaluation of your performance after completing the aptitude game. This section is designed to help you understand your strongest soft skills and identify areas that may require improvement.

On this page, you will see:

- **[A] Pie Charts with Percentage Results** – Visual feedback showing your performance across the Top 5 Soft Skills assessed in the game:
 - Teamwork
 - Adaptability
 - Communication
 - Problem Solving
 - Emotional Intelligence

The percentage values represent how well you demonstrated each skill based on your responses during the test.

- **[B] Written Feedback per Soft Skill** – Below the charts, you will find descriptive feedback for each soft skill.
- **[C] Done Button** – Select Done to exit the page.

HISTORY PAGE

The History Page allows you to track your overall training progress throughout your journey in ReadySetHire. This feature helps you understand your development over time and monitor improvements across multiple interview-preparation tools.

On this page, you will find:

- **[A] Verdict Status** – Based on your overall performance percentage, you will see one of the following progress indicators:
 - Needs Practice
 - Getting Ready
 - Interview Ready

This helps you determine your current interview preparedness level.

- **[B] Line Graph Visualization** – A performance graph displays your improvement over time.
- **[C] Filter Button** – You can switch the line graph view depending on the category you want to analyze:
 - Overall
 - Mock Interview
 - Chatbot Interview
 - Aptitude Test

Each filter generates an updated line graph reflecting your results for that specific category.

- **Recent Activity List** – Below the graph, you can view your most recent completed activities (mock interviews, chatbot sessions, aptitude tests).
 - **[D] View Button** – Lets you open and review the detailed feedback of a specific activity.
 - **[E] Delete Button** – Removes that specific activity record from your history.
- **[F] Clear All** – Deletes all recorded activities and progress data from the History Page.

19

INTERVIEW FLASHCARDS PAGE

The Interview Flashcards Page provides you with a quick and interactive way to practice common interview questions and learn how to respond effectively. This feature is designed to help you strengthen your understanding of interview concepts at your own pace.

On this page, you can:

- **[A] Start Button** - Click to begin the flashcard session.
- **[B] Interview Questions Display** - A practice interview question appears on each flashcard to help you familiarize yourself with frequently asked interview topics.
- **[C] Tap to Reveal Explanation** - When you tap the flashcard, an explanation will appear, showing:
 - The ideal approach to answering the question
 - Key points that recruiters typically look for
 - Sample guidance to help you understand the best response format
- **[D] Next Button** - Select Next to proceed to the next flashcard.
- **[E] Exit Button** - Select Exit at any time to leave the flashcards section and return to the app.
